Division Restrictions

Eligibility for NCPGA junior tour events is limited to junior golfers who:

1. **have not attained the age of 19 by the day after the last junior event season. The cutoff date for 2008 is August 4.**
2. are enrolled in the junior golf program conducted by the golf professional at one of the corporate member clubs.

The North Central Pennsylvania Golf Association's Junior Tour participants are divided in divisions based upon the player's age. Players are not permitted to play in a division greater than their age would permit. For example a 15 year-old male would not be permitted to play in the boys 16-18 year-old division under any circumstances. Male players are divided into four age groupings; 9 and under, 10-12, 13-15, and 16-18, and female players into 10 and under, 11-14, and 15-18.

For example a male player who turns 13 on August 4, 2008 will participate in the boys 13-15 age group throughout the junior tour season. This date will eliminate players changing divisions in the midst of a season.
